ENROLMENT INFORMATION

Kurnell Public School is located in Dampier Street, Kurnell, the birthplace of modern Australia. The school has spacious grounds and air conditioned classrooms.

Kurnell Public School has over 200 students from Kindergarten to Year 6 and offers a quality comprehensive education for all students. We pride ourselves on providing a caring and safe environment where academic excellence is encouraged through quality teaching and learning. Individuals are valued and developed in a positive atmosphere which empowers students to achieve their personal best.

Our kindergarten classes are small which ensures that your child receives the best possible start to their school learning journey. We offer a comprehensive Orientation & Transition Program for all kindergarten students.

If considering enrolling your child at Kurnell P.S., please give his/her name to the staff in the front office and collect an application to enrol and information leaflets. We will contact you formally and invite you to our Kindergarten Orientation and Transition mornings and afternoons.

We are most happy to arrange tours of our school by appointment.

Kurnell offers a wide range of extra curricular programs for all students including Creative & Performing Arts groups, ukulele and a wide variety of sports. Parental involvement is encouraged and valued at all levels and parents are able to work in close cooperation with our experienced and dedicated staff.

Kurnell Public School has a Before & After School Care facility on site which provides outstanding care for our students. For further information please contact Marion or Tess on 0414 273 517.
